Take the 2 train to Flatbush Ave station.
(Sometimes on weekends, there are changes in the way trains run. The 5 occasionally replaces the 2, but at the time that I'm writing this, no service advisory is announced for 1-31-10)

Leave the station through the exit by the ends of the train track.

When you get up the steps, you will be on Nostrand Avenue facing in the right direction. Walk along Nostrand crossing Avenue H, then Avenue I.

Z Gallery is on the left side of the street before the post office.
